

I have been suffering from psoriasis on my head and my back for over 9 months. After a week of drinking Bettalife Aloe Vera Drinking Gel, my skin condition improved. Now the psoriasis I had on my back has cleared. -Lina Tay

For more than 20 years, I spent so much money seeing skin specialists in Brunei & overseas, but none can do anything for my severe psoriasis which caused me itchiness & sleeplessness. I tried so many herbal drinks & applications of steroids but nothing works. But in only 3 months of drinking the Aloe Vera Drinking Gel consistently three times a day, my psoriasis is CLEARED! - Chua Gim Hock

Notice the significant reduction in water retention on his leg.
