ALFRED LIEN'S STUNNING WEIGHT LOSS RESULTS

After 13 days with the Bettalife weight loss program, I am very happy with the results.

Total of 10kg & 35.5cm melted off my body from my original 113kg! My waist and fat content drop by 8cm & 5% respectively.

I feel my brain thinks faster & sharper. My cholesterol and high blood pressure show great improvement.

NINA YONG'S AMAZING WEIGHT LOSS RESULTS

Q What is Bettalife's PSMF weight loss program, why is it so effective & how do I learn more about it?

Protein Sparing Modified Fast (PSMF) program is designed by Harvard Medical School. We advise you how to spare your body proteins from burning thus you will look good and feel great during the program. We teach you how to get your body into ketosis so it will burn its fats as it is designed to do so. Bettalife Wellness Consultant will customize a diet program that will adapt to the individual's eating habits and guide him/her to lose weight in a proven systematic & healthy manner.

No starvation is allowed as there are measures using Keto-Diastix and easy guidelines to coach and motivate the individuals to reach their desired outcomes. IT IS EASY!

You are welcome to attend a seminar **"DETOX, LOSE WEIGHT & KEEP IT OFF NATURALLY"** by sending a text message to +65 90265691 as follows:
